### **ABOUT VIVACITAS ONCOLOGY:**

Vivacitas Oncology is a private clinical-stage biopharmaceutical company focused on tough-to-treat cancers. It originated with the vision of Dr. Joseph Rubinfeld (co-founder of Amgen) and Infusion 51a, LP to transform select chemotherapies beyond their initial potency, toxicity, stability, and/or pharmacokinetics challenges and unlock maximum treatment and tolerability potential. Through an enduring spirit, Vivacitas continues to apply clarity, tenacity, and vision in our fight against aggressive cancers and our pursuit of new treatment options for patients and their families worldwide.
