

Vivacitas Oncology to Present at the 2022 BIO CEO & Investor Conference

Walnut Creek, CA, USA, February 14th, 2022 – Vivacitas Oncology, Inc., a privately-held biopharmaceutical company focused on tough-to-treat cancers, will present at the upcoming [2022 BIO CEO & Investor Conference](#), which will be held in New York City on February 14-17, 2022.

Hosted by the Biotechnology Innovation Organization (BIO) for over 20 years, the annual event is focused on emerging public and private companies, offering a meeting place for institutional investors, industry analysts, and senior biotech executives. The conference draws biotech companies looking to expand their network to take their assets to the next phase.

Mark Suseck, CEO and Director of Vivacitas will review Vivacitas' efforts in developing next-generation technology coupled with proprietary synthesis methods to serve patients with solid tumors and a particularly challenging prognosis. Vivacitas' lead development candidate (AR-67) is a novel lipophilic compound enabling enhanced blood stability to potentially improve efficacy and tolerability.

Location	The Marriott Marquis - New York City Gotham Room – 7 th Floor
Date	Tuesday, February 15, 2022
Time	10:45 AM - 11:00 AM (EST)
Speaker	Mark Suseck, CEO & Director of Vivacitas
Registration link	Here

About Vivacitas Oncology, Inc.

Vivacitas Oncology is a private clinical-stage biopharmaceutical company focused on tough-to-treat cancers. It originated with the vision of Dr. Joseph Rubinfeld (co-founder of Amgen) and Infusion 51a, LP to transform select chemotherapies beyond their initial potency, toxicity, stability, and/or pharmacokinetics challenges and unlock maximum treatment and tolerability potential. Through an enduring spirit, Vivacitas and its Executive Team continue to apply clarity, tenacity, and vision in their fight against aggressive cancers and the pursuit of new treatment options for patients and families worldwide.
